HIDUNG

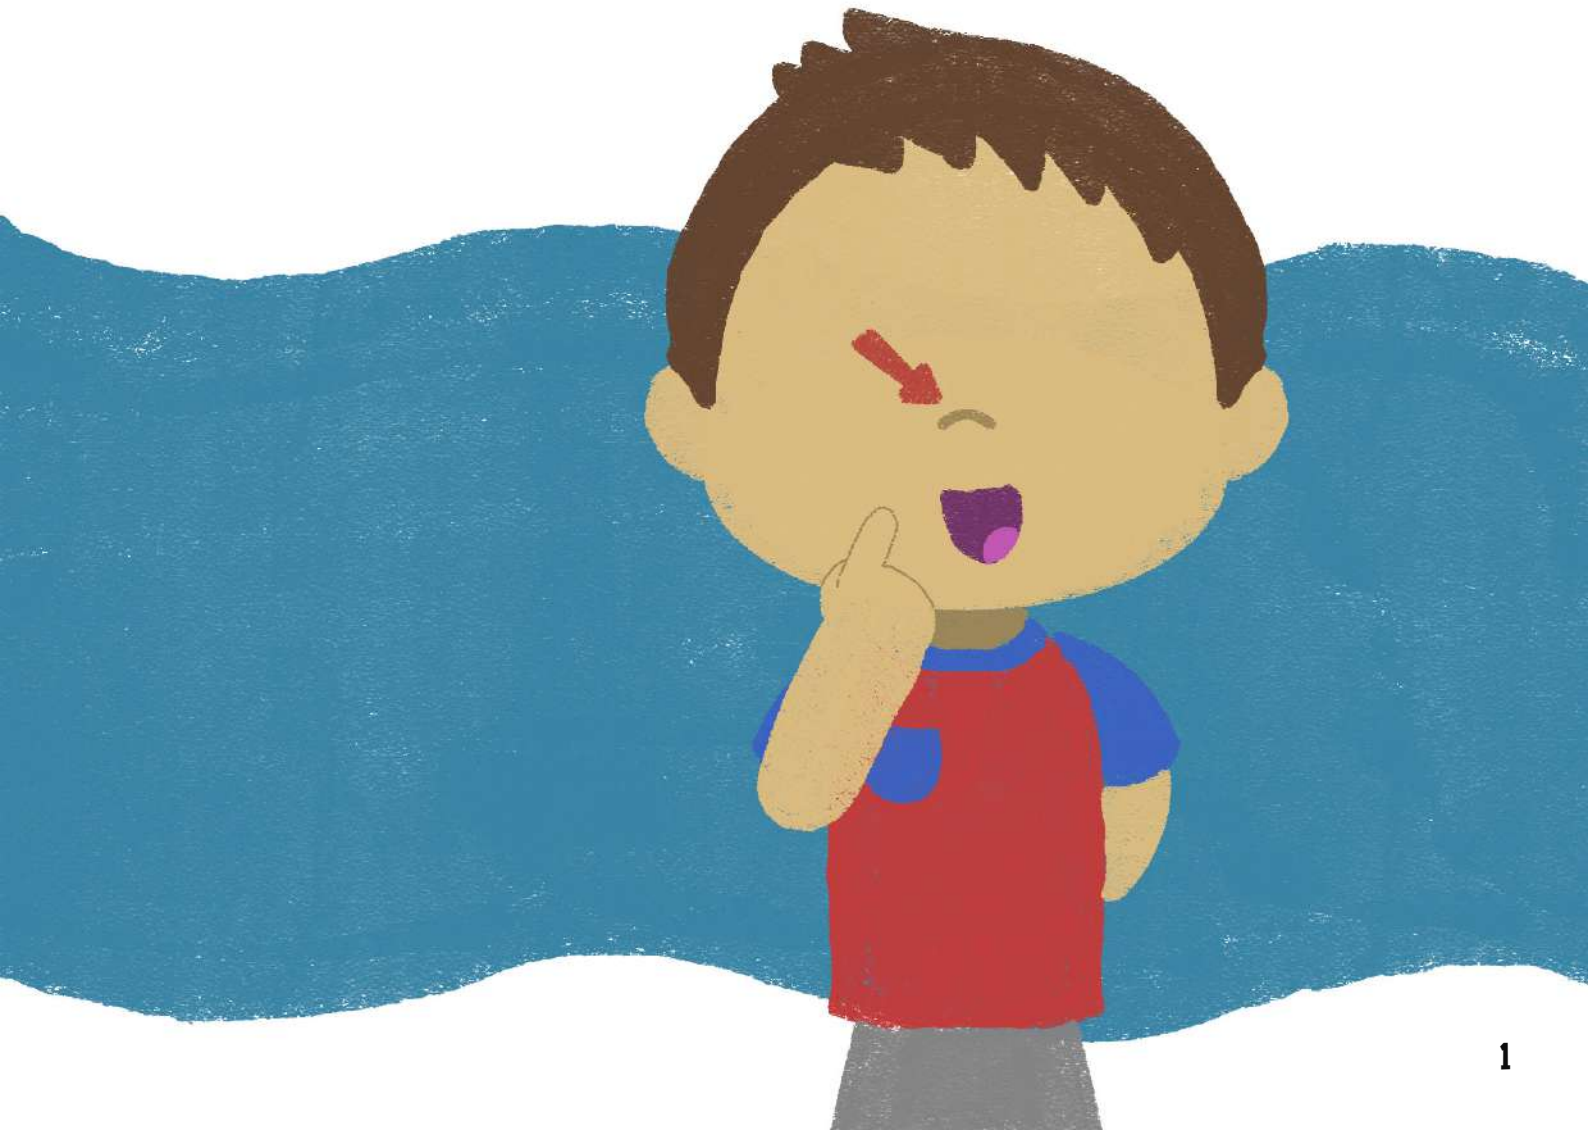

Cerita oleh Noli

Ilustrasi oleh Hafshah

Ini hidung.

Allah menciptakan hidung
sebagai indera penciuman.

A colorful illustration of a young boy with brown hair, wearing a red shirt and grey shorts, standing in a park. He is smiling and breathing in fresh air, indicated by a blue circular swirl around his mouth. The background features a bright blue sky with a yellow sun and white clouds, green rolling hills, and several green trees with brown trunks. A light blue swirl on the ground suggests a breeze. The text 'Aku bisa menghirup segarnya udara pagi' is written in a grey speech bubble above the boy.

Aku bisa menghirup
segarnya udara pagi

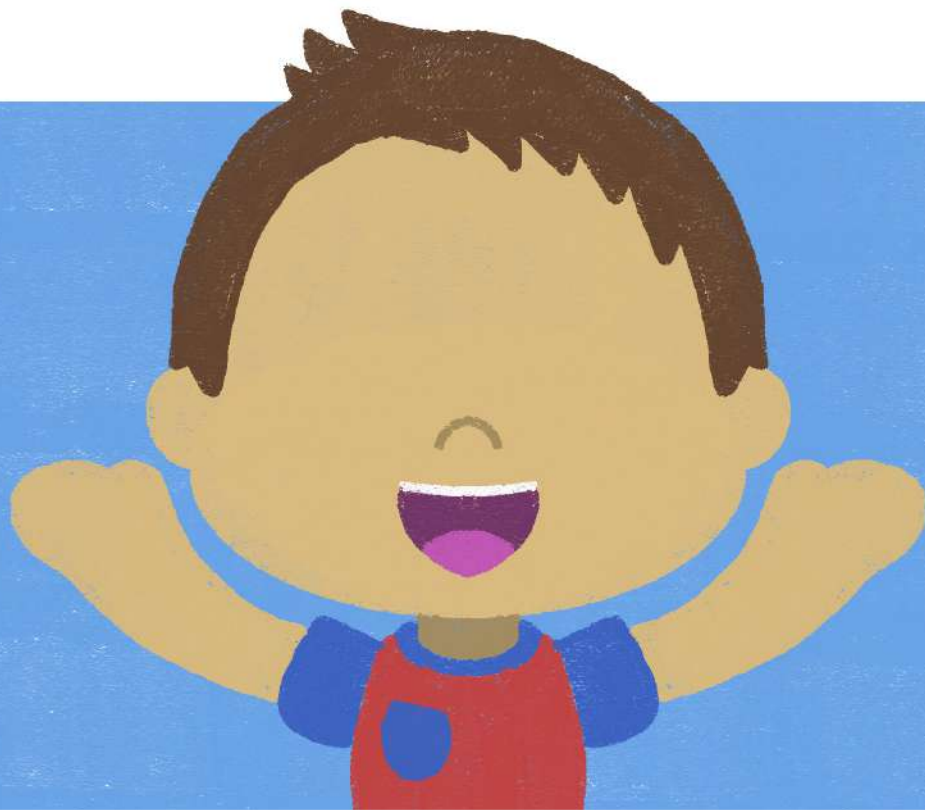

Aku bisa tahu kalau kamu
belum mandi, hihiii...

Aku bisa mencium aroma kue buatan Ibu yang wangi.

Semua karena nikmat berupa
hidung yang Allah beri.

Hidung adalah nikmat Allah
yang harus kita syukuri.
