One sunny day, I felt like taking a walk. My furry friend, Moli the cat, wanted to come along. "Not today, you stay home Moli," I said.

As I opened the door, I saw a line of tiny ants marching in perfect order. "Wow, looks like they're going on an adventure too!" I thought.

Stepping outside, I saw
my neighbor's chickens.
There was a mother hen
and her chicks. They were
all walking together.

Near the rice field, I saw a sheep munching grass happily. "You seem to be enjoying your lunch, Mr. Sheep" I chuckled.

Walking further, I spotted duck footprints in the edge of the rice field. They were all in a row, just like marching soldiers!

On my way back home, I
saw a caterpillar on a
leaf bud. The leaf had
tiny holes in it. "Looks like
your tummy is full, little
caterpillar"

There were so many amazing animals around me! I wondered how many more creatures I hadn't met yet. Allah created all these animals.

وَوَخَلَقَ كُلَّ شَيْءٍ ۖ وَهُوَ بِكُلِّ شَيْءٍ عَلِيمٌ

.....He created all things. And He is, of all things, Knowing. (Qur'an surah Al An'am: 101)
