I joined the storytelling competition twice,  
but I lost both times.

I was sad,  
but my mother said,

Don't give up,  
you are still learning!

My father took me  
to Salemba Bookstore  
as a gift for my performance.

At the storytelling competition,  
I met my friend from English course.  
She won both times!  
I thought..

Why can't I be  
a winner like her?

A few days later, we met at our English course.  
I said "Congratulations!"

Then she said, "Thank you! Your performance  
was also very good."

I felt very happy and replied, "You're welcome".

congratulation!

Now, I won't give up!

If there is a storytelling competition,  
I will join again with a new spirit  
and I will be more confident.

Never  
Give up!

I joined a storytelling competition twice but I lost both times.  
Aku mengikuti sebuah lomba bercerita dua kali tapi  
aku kalah di keduanya.

I was sad, but my mother said, "don't give up, you are still learning!".  
Aku sedih, tapi ibuku berkata, "jangan menyerah,  
kamu masih belajar!".

My father took me to Salemba Bookstore as a gift for my performance.  
Ayahku mengajakku ke toko buku Salemba sebagai hadiah  
untuk pertunjukanku.

At the storytelling competition, I met my friend from English course.  
She won both times! I thought, "why can't I be a winner like her?".  
Di lomba bercerita, aku bertemu temanku dari les  
English. Dia menang di keduanya! Aku berpikir,  
"mengapa aku tidak bisa jadi pemenang sepertinya?".

A few days later, we met at our English course, I said "Congratulations!" Then she said, "Thank you! Your performance was also very good." I felt very happy and replied, "you're welcome".

Beberapa hari kemudian, kami bertemu di les English, aku berkata, "selamat!", lalu dia berkata, "terimakasih! Pertunjukanmu juga sangat bagus". Aku merasa sangat senang dan menjawab, "sama-sama".

Now I won't give up! if there is a story telling competition, I will join again with new spirit and I will be more confident.

Sekarang, aku tidak akan menyerah lagi! Jika ada lomba kompetisi lagi, aku akan mengikuti dengan semangat baru dan aku akan lebih percaya diri.

....لَا تَقْنَطُوا مِنْ رَحْمَةِ اللَّهِ

"...janganlah kamu berputus asa dari rahmat Allah..."
