Allah is the Most Beautiful.

**He created many
beautiful things.**

**Allah created the sky.
As a roof, up so high.**

Endless blue and clouds of white.

**So beautiful,
so peaceful.**

**When the sun sits up high,
it lights up the earth.**

**I happily fly a kite,
while a bird flies to get a bite.**

**When the night comes by,
the stars shine up the sky.
Pleasing to the eye.**

**Allah created flowers.
There are so many colors.**

Wildflowers

Bellflowers

Sunflowers

MashaAllah...

**They are so beautiful,
absolutely delightful.**

**Allah created butterflies.
Their colorful wings flutter
from flower to flower.**

so beautiful, and graceful.

Allah created us!
He created human with grace.
We are the most special creatures.
We can think, learn, and do many
amazing things!

Alhamdulillah...

All praise belongs to Allah.

**May Allah bless us
with a beautiful life...**

...in the Hereafter.
